Head of School: Mrs Julia Shaw

Dear Parent / Carer,

Year 4 Swimming: w/c Monday 8th February

We are pleased to advise you that Year 4 will now have the opportunity to begin swimming lessons at the Leisure centre from Monday 8th February. Lessons will then continue throughout Year 4 and into Year 5.

In order to swim, children will need to have the following kit:

- All children to wear a swim hat
- Boys to have a swim suit or swim shorts which should be above the knee (Not Bermuda type longer shorts)
- Girls to wear a swim suit (Not bikini type wear)

Please note that goggles are normally worn under medical advice.

We shall be swimming on Monday Afternoons beginning with an initial assessment on 8th February. This will allow us to organise balanced groups and begin swimming lessons proper, immediately after half term. Please be assured that all children will be in a water depth commensurate with their ability and confidence levels.

Should you have any questions or concerns, please don't hesitate to contact us.

Denis Keegan
