Easter homework Nightingales

During the Easter holidays we would like to encourage the children to keep practising their skills. In order to do so we have provided lots of activities your children can challenge themselves with.

Maths

For maths your child could finish all the activities in the CGP Arithmetic book. If your child is struggling with core maths skills, don't forget he/she could log on to My Maths which provides step by step explanations.

Grammar

For Grammar your child could finish all the activities in the CGP Grammar book. If your child is struggling with grammatical concepts, don't forget he/she could log on to Bug Club Grammar Resources.

Reading and writing

In the Easter homework folder your child can find a copy of Rudyard Kipling's poem 'If' and a set of reading comprehension questions. In the same Easter homework folder there are three story starters accompanied by a photo. Your child could choose one of them to finish.

Spelling

To improve spellings skills for key words we provided a list of words your child could practise using the 'look, cover, write and check' procedure.

If you think your child needs extra help, don't forget to sign up for the Causton Easter Club, where your child can access online resources like Bug Club and My Maths, have specific help from available teachers and enjoy a proper breakfast to start the day.

Mr C van Gameren

This school is committed to safeguarding and promoting the welfare of children
