

Robin Class: Spring 2

On Pancake Day we took part in all things pancake themed! We made pancakes, flipped pancakes, had pancake races and had a great time!

So did the seagulls who feasted on our dropped bits of pancakes!

We have been working on our money skills in maths. We set up a shop.

We used our money skills to choose what to buy-
it was a tough decision!

In Literacy we have loved listening to poems,
especially poems by Michael Rosen. We made
poem maps to help us recite the poems

We then acted
them out!

St Mary's Church, Walton: Easter experience

We visited our local church to learn more
about the Easter Story. We took part in lots
of activities that taught us about the Bible
stories and Jayke even got to search for Jesus
in a tomb (tent) with a torch!

We had a really good time
and found out lots of new
things.

Thank you to all the
volunteers at Church.

We have had another busy half term and we
are looking forward to the Summer term, after a couple of
weeks rest!
